

head of a family (as provided in § 125.4(c));

(3) He/she has duly made application for Sioux benefits and such application has been approved during his/her lifetime (as provided in § 125.5);

(4) He/she has not previously been paid Sioux benefits in his/her own right (as provided in § 125.4(d)); *and*

(5) The hypothetical allotment of 80 acres of tribal land to the applicant would not exhaust the lands available for allotment on the Cheyenne River Indian Reservation as of June 18, 1934, considering the allowance of similar hypothetical allotments to other such Indians previously receiving Sioux benefits under such Act.

(c) *Head of a family.* The following criteria apply in determining head of family status under both §§ 125.4(a) and 125.4(b).

(1) Except as provided in § 125.4(c)(2), when an applicant for Sioux benefits is married and living with his/her spouse, the applicant will be deemed to be a head of a family if designated as such by both the applicant and his/her spouse.

(2) When an applicant for Sioux benefits is married and living with his/her spouse, but the applicant's spouse (i) does not concur in the applicant's designation as head of the family, or (ii) has previously received Sioux benefits as head of the family which includes the applicant, the applicant will be deemed to be a head of a family if the economic contribution to the support of the family attributable to the applicant exceeds the contribution by his/her spouse for the eighteen (18) months period immediately preceding the date of the application for Sioux benefits.

(3) When an applicant for Sioux benefits is (i) unmarried, or (ii) married, but not living with his/her spouse, the applicant will be deemed to be a head of a family if the primary source of economic contribution to the support of the family is attributable to the applicant. Welfare or support payment made to the applicant by the government or his/her spouse shall be deemed attributable to the applicant.

(4) The Bureau shall not presume that a husband is a head of a family for purposes of this part solely because of his status as a husband. The Bureau

shall not presume that a wife is not a head of a family for purposes of this part solely because of her status as a wife.

(5) The Bureau shall not presume that a Sioux woman married to a non-Sioux man is a head of a family for purposes of this part solely because of such status. The Bureau shall not presume that a Sioux woman married to a Sioux man is not a head of a family for purposes of this part solely because of such status.

(d) *Double benefits.* The prohibition against multiple payment of Sioux benefits to a person in his/her own right extends to the payment of Sioux benefits under any Federal statute. However, a person will not be deemed to have received payment of Sioux benefits in his/her own right due to the fact that:

(1) Sioux benefits were paid to such person in his/her capacity as an heir of an Indian who, under prior law, was held to have a vested right to receive such benefits as of the date of death, or

(2) Sioux benefits have previously been paid to that person's spouse or former spouse. Although the prohibition against double benefits would not preclude both spouses from receiving Sioux benefits during their marriage (assuming they both were otherwise eligible) or preclude a widowed or divorced applicant from receiving Sioux benefits merely because his/her spouse had previously received Sioux benefits, an applicant would not be able to receive Sioux benefits in his/her own right first as a single adult and again as a head of a family, or vice versa.

#### § 125.5 Application procedure.

(a) *Agency Superintendent.* Application for Sioux benefits must be submitted to the Agency Superintendent for the reservation and shall contain such information as may be prescribed by the Bureau. Applications must be submitted within the lifetime of the applicant. Within thirty (30) days of receipt of a completed application, the Agency Superintendent shall verify the necessary information and forward the application and relevant documentation to the Area Director along with his/her recommendation for approval or disapproval.

(b) *Area Director.* Within fourteen (14) days of receipt of an application from the Agency Superintendent, the Area Director shall approve or disapprove the application and notify, in writing, the applicant and the Agency Superintendent of such decision and, if denied, the reasons therefor. Failure of the Area Director to act within the specified time shall have the effect of approval of the application.

(c) *Appeal.* Approval of an application by the Area Director shall be final and conclusive. Disapproval of an application may be appealed to the Commissioner pursuant to the administrative review procedures of 25 CFR part 2, and the Commissioner's determination shall be subject to the administrative appeal procedures of 43 CFR part 4, subpart D. Approval of an application on administrative appeal or pursuant to judicial review shall relate back to the date of the Area Director's decision.

(d) *Prior applications.* (1) Eligibility for Sioux Benefits will be determined by an applicant's status as of the date of application, except that where an applicant's application was disapproved prior to the promulgation of these regulations under the provisions of previous Bureau regulations or policies, the applicant may reapply and, if he/she so requests, have his/her eligibility determined based upon his/her status as of the date of such prior application, which shall be deemed to be the date of the application, but nothing in this subsection shall be construed to allow any application to be made on behalf of a deceased Sioux Indian whose prior application was disapproved.

(2) Unallotted Sioux Indians of the Pine Ridge and Rosebud Reservations whose applications were submitted and disapproved prior to the termination of payment of Sioux benefits on each respective reservation may reapply for benefits under this subsection within one year of the effective date of this part and receive payment if their eligibility under §125.4(b) is established as of the date of such initial application.

(e) *Information collection.* The information collection requirements con-

tained in this part have been approved by the Office of Management and Budget under 44 U.S.C. 3507 and assigned clearance number 1076-0004. The information is being collected to provide information necessary for the Bureau to determine eligibility for Sioux benefits. This information will be used to grant statutory benefits. The obligation to respond is required to obtain a benefit.

(b) Payment of Sioux benefits shall be made in accordance with a budget or plan for expenditure submitted by the applicant and approved by the Agency Superintendent.

(c) The Commissioner shall annually compute the commuted monetary value of Sioux benefits to be effective on October 1 of that year and notify the affected tribes and Bureau agencies of such determination.

(d) The Area Director shall annually notify both the Cheyenne River Sioux Tribe and the Commissioner of the number of Sioux benefits remaining available to be paid under the provisions of the Act of June 18, 1934, c. 576, §14, 48 Stat. 987, 25 U.S.C. 474.
